## Fired at Auto

## Lexington Leader.

A bullet was fired at the automobile of Thomas M. Russell of Maysville by an unknown miscreant Wednesday evening as Mr. Russell was nearing Paris on his return from Lexington to Maysville, after having stopped in Lexington during the day. The bullet struck the wind-shield on the automobile, shattering the glass. Mr. Russell was accompanied by his wife.

## Highest Exam. Marks

The Lexington Leader prints the following complimentary notice of a former young man of Maysville:

"Mr. C. W. Wardle, a senior student of the College of Mines and Metallurgy of State University, has the distinction of having made the highest grade in the Civil Service examination recently held by the United States Geological Survey. Though he heads the list of eligibles for a position on the Survey, he realizes the possibilities of Kentucky as a mining field, and after graduation will probably return to Eastern Kentucky and take a position with the Swift Coal and Timber Company, by whom he was employed during the summer months of 1910."

## Dress Goods Values.

Seven values in materials for suits and dresses are listed below. There are many additional attractions and our only reason for giving special prominence to these is to prove that our dress fabrics are better values for the money than can be found anywhere else.

Wide Wales in wine, green, black and navy 39c yard—regular value 59c. A splendid bargain.

Wool Batiste, special at 50c yard. Alice blue, castor, black, navy, white. An attractive light-weight fabric.

For 59c yard a handsome line of Suitings in white hair-line stripe on russet brown, reseda, navy or Alice blue. Also a full color line in French Serge of exceptional quality for 59c.

For \$1.25 yard we are offering three extra special values—

Chudde Cloth, 42 inches wide, all colors.

Oak Serge, 56 inches wide, shrunk and sponged. Black, castor, navy.

Tan Covert for Coats and Suits—one and a half yards wide.

Have you seen the Silk Colleen Poplins in black and colors? You can only see them here as we are Maysville's exclusive agents.

## \$5, \$6, \$6½ Dresses for \$3.98.

It is your great opportunity to secure a stylish linen, gingham, cotton voile or foulard dress for a little price. It is a sample line we have just secured. Hardly two dresses in the lot alike in design or color. These are not so-called house dresses—they are pretty frocks you will be proud to wear any time or anywhere. Less than three dozen in the lot, so promptness is the word. As these garments are sold at a fraction over cost we neither alter nor pin them up. You are kindly requested to remember this rule.

## Mattings

The approaching warm weather calls to mind the coolness of matting for floor coverings. You will find a choice line here, particularly strong in the 25c quality. At that price we are giving special values.

## APRIL FOOLED!

Almost incredible as it may appear, there are doubtless some people hereabouts who have not bought goods of us. Not many, you understand; only a few. Now, it's bad enough to be the victim of a practical joke on "All Fool's Day," but to continue to ignore our claims is to make every day in the year an April 1st for you. ## FREE SAMPLE OF LAXATIVE CURED THEIR CONSTIPATION

When a person has become constipated through years of failure to find a cure, and finally, perhaps, given up trying, it is a small wonder that he becomes skeptical. And yet, to all who have constipation, we would say, "Try just one thing more."

We wish you would try Dr. Caldwell's Syrup Pepsin, a laxative tonic that has been used for a generation. Thousands are using it; surely some of your friends among the number. You can buy it of any druggist at fifty cents and one dollar a bottle, but better still, send your name and address to Dr. Caldwell for a free sample bottle. He will send you enough to convince you of its merits, and then if you like it you can buy it of your druggist. Mr. J. J. Petty of Unionville, Mo., Mr. George W. Zimmerman of Harrisburg, Pa., and many others of both sexes and in all parts of the country first tried a sample bottle and now have it regularly in their homes.

You will have to be wary with salesmen and advertisers for these are but temporary relief while Dr. Caldwell's Syrup Pepsin is guaranteed to cure permanently. It will train your stomach and bowel muscles so that they will do their work again naturally without outside aid. Out with your skepticism and try Syrup Pepsin.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 241 Caldwell building, Minneapolis, Minn.

## STATUTE LAWS

### Merely Ruled Upon By Judge E. C. O'Rear—Governor Cox and Others Framed the Noted Bill

In a recent article published in The Louisville Evening Post, and under a communication, much credit is given Judge E. C. O'Rear for "his great act of justice to the mountain people," in writing the opinion of the Court in what is known as the "Land Title Case," or the clearing up of land patents or grants that had lapped or overlapped each other, and known as the "Revolutionary Grants," "Virginia Grants" and "Kentucky Grants," and establishing the ownership of such grants.

It was a magnificent act on the part of Judge O'Rear to write the opinion of the Court in which the whole Court agreed, and to have his opinion sustained by the Court of last resort or U. S. Supreme Court.

The article was published for a political purpose and to further the interest of Judge O'Rear in his race for the Republican nomination for Governor. But let us see to whom credit is due, for we believe in giving credit where credit is due. At the close of the session of the Legislature in 1904, a committee of five Senators was appointed to revise the Tax Laws of the Commonwealth, and was composed of the following Senators: J. W. Cammack, G. W. Hickman, Luban Phelps, W. W. Hooley and William H. Cox. This Committee worked faithfully for two years, held meetings, visited many different sections of the State, giving their time and much of their money free of cost to the State, as their actual traveling expenses was all that was ever repaid them by the State. The Committee reported to the session of 1906, a bill afterwards known as "Chapter 22, An Act Relating to Revenue and Taxation," which passed both Houses of the Legislature and received the signature and approval of the Governor. The longest Bill with the shortest title that ever became a law, covering 161 pages. Article 3 of this Act is known as the "Land Title and Old Land Grant" section.

Now the honor of formulating and having passed that law, which has been of such benefit to the mountain people of Kentucky, belongs, and rightly so, to this Committee, who worked faithfully for it, and the Court of Appeals. Judge E. C. O'Rear writing the opinion, merely decided the constitutionality of the act. So long as the communication has been published as a political one in the interest of one of the candidates for Governor, we are of the opinion that another candidate for Governor, Lieutenant Governor William H. Cox, should have the credit, nay the first credit, for being one of the five Senators who formulated and passed the Bill that became the law of the land.

## ANAEMIA AND WEAKNESS

Constantly Being Cured by Vinol,  
An Interesting Case Reported

Greensboro, N. C. "I would not take a thousand dollars for the good Vinol has done me."

"I was told that cod liver oil was the medicine I needed for poor blood and my weakened condition. I could not take the greasy mixture, but when my druggist explained to me that Vinol contained all the medicinal curative elements of cod liver oil, without the greases, and tonic iron added, I made up my mind that Vinol was the medicine for me."

"I tried it, and today am strong and well. My doctor also guarantees this feeling of health."

Vinol is a splendid blood purifier, purifies the blood and it is the greatest tonic we know of. We sell Vinol everywhere with the understanding that if the purchaser is not satisfied with the result, a refund will cheerfully be made. That seems fair. John C. Pecor, Druggist, Maysville, Ky.

#### Won't Do to Monkey With

Yesterday evening about 5 o'clock, as William Bennett, better known as "Goose," was walking up Limestone street, near the Foundry, he was ruthlessly butted into by Percy Campbell Bennett being crippled and walking with a cane and crutch, he was severely knocked on his feet by the impact, and was naturally infuriated with his assailant because of his rudeness. Campbell is said to have replied in vitriolic verbiage as follows: "You are a lame, home is the place for you."

The two parted, Campbell seeking the saloon at the corner of Limestone and Front, and Bennett his home on Ford's Hill, where he secured his trusty shotgun, and retracing his steps entered the aforesaid saloon and without saying a word let go and shot Campbell in the side and arm, the latter receiving most of the charge.

The wounded man was taken to Dr. Patton's office, where the injury was dressed. While badly hurt the wound is not necessarily dangerous. Bennett was arrested by Officer Ryan and is now in Jail. Campbell bails from Concord.

I don't know who sells the "best," "off-rat" and "cheap job" etc. I have gone very carefully over my customers' names and find to find any who have been arrested for "bumming," "drinking" or "shooting" or "peace breakers," etc. We fit and sell glasses. It matters not to me whether they buy spectacles or eye glasses, we carry both, and they are for sale and we sell them. They give satisfaction. The best evidence that they are satisfied, they come back when they need them. Our prices are low, our quality is good and we guarantee them.

**Dr. Pierce's Favorite Prescription**

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

**TIME TO ACT**

**DON'T WAIT FOR THE FATAL STAGES OF KIDNEY ILLNESS—PROFIT BY MAYSVILLE PEOPLE'S EXPERIENCES**

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time, but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles or any part of the body—don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old-time health and vigor will return. Cures in Maysville prove the effectiveness of this great kidney remedy.

Frederick Dreel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the kidney secretions were scanty and attended with pain, during passage. Sharp twinges across the small of my back were common and greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they gave me prompt relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
